

The special journey of parenthood with your precious baby can pass by in the blink of an eye. Journaling the journey allows you to record thoughts unique to this time in your baby's and your life, and these pages can help. Print them out and record those precious moments for future enjoyment.

When I Realized My Baby
Would Be Born Early, I Felt:

.....

.....

.....

.....

I Named My Baby:

Because:

.....

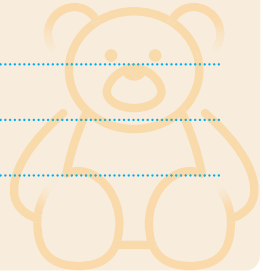

My Favorite Experience
With Parenthood So Far Is:

.....

.....

.....

The Most Important Things I Want
My Baby to Know About Me Are:

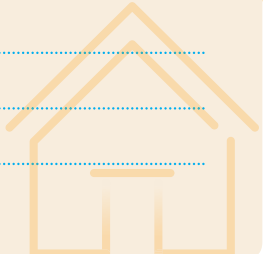

.....

.....

.....

When Baby First Came Home,
an Exciting First Was:

.....

.....

.....

These Are the Values I Want
to Pass Along to My Baby:

.....

.....

.....

Baby's name:

The special journey of parenthood with your precious baby can pass by in the blink of an eye. Journaling the journey allows you to record thoughts unique to this time in your baby's and your life, and these pages can help. Print them out and record those precious moments for future enjoyment.

The First Time I Was Alone With
My Baby Felt Like:

.....

.....

.....

These Baby Gifts Hold
a Special Place in My
Heart, Because:

.....

.....

.....

I Want My Baby
to Know These
Dreams I Have for
Their Future:

.....

.....

.....

.....

Now That I Have a New Baby, My Worldview
Has Changed in These Ways:

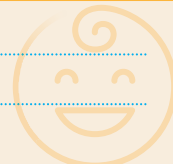

.....

.....

.....

Some Things That Make Me
Nervous About Being a Parent Are:

.....

.....

When I Fed My Baby for the
First Time, Here's How I Felt:
